GENEVA TECHNICAL SERVICES

Top IT Talent + Superior Customer Service = A True Partnership

IT organizations are under increasing pressure today—the pressure to increase efficiency, support a diverse range of business needs and drive innovation. To succeed, every technology team member must provide the maximum contribution: top skills, high performance, business-savvy thinking, good teamwork and quality results. If these are the characteristics of the team members you want to add to your IT organization then partner with Geneva Technical Services (GTS) to support your hiring needs.

For more than 10 years, businesses big and small have trusted their critical IT staffing needs to GTS. Our precise focus on technology staffing coupled with our long-time expertise in the Chicago region have made us uniquely suited to recruiting and delivering the market's top technology professionals and building high-contributing, hardworking IT teams. Our expertise in IT recruitment and staffing is focused on six core skill groups:

Infrastructure & Support

- Call Center & Service Desk
- Desktop & Mobile Computing
- LAN/WAN, Security & Data Center

Application Development

- Software Development
- PMO & Shared Services
- Technical Architecture

The GTS Advantage™

While many people will tell you all IT staffing providers are the same, our customers do not feel that way. Our commitment to The GTS Advantage—service, recruitment and partnership excellence—make a world of difference to our customers. The many benefits of The GTS Advantage include:

Experienced Account Executives: All GTS account executives have 20+ years of IT staffing experience.

A Winning, High-Quality Recruiting Process: Our 8-Step recruiting process ensures we present our customers with the best IT talent available.

A Balance of Speed, Cost & Quality: We are focused on finding the optimal balance of speed, cost and quality in our recruitment and placement efforts.

Experience & Reliability: Our long-time experience in the Chicago technology market ensures we are well informed of critical trends, market challenges and IT talent availability.

Candidate Loyalty: We are well known for proactively developing strong relationships with our IT consultants in order to build a deep, loyal talent pool and keep turnover to a minimum.

Support of IT Professional & Charitable Organizations: We actively sponsor and support Chicago-based non-profit organizations focused on the IT profession.

GTS Redefines Partnership

At GTS, we pride ourselves on building long-term partnerships with the customers we serve and matching our capabilities with the unique challenges and needs of our customer's business.

"GTS truly exemplifies a business partnership. They work hard to understand your requirements, provide excellent candidates and stand behind their service. GTS is never out of touch and is quick to respond to the dynamic nature of the business. I never hesitate in recommending GTS' services and will continue to work with them in the future." - CIO, Retail Corporation

"GTS is a preferred vendor of ours. I personally have been extremely pleased with the quality of consultants they have provided to me, and more importantly, with the ease of doing business with GTS. I would recommend GTS to any organization that truly cares about getting a job done properly and timely. They will make it their personal objective to understand your business goals and work with you to make it happen." - District Manager, Insurance Company
